

Sending Audio Via “We Transfer”

First you go to “we transfer” here:-

<https://wetransfer.com/>

You don't need an account so hit the “No Thanks” button,

In the “Add Your Files” box first add the email addresses,

To:- john@phoenixvinyl.co.uk

From: - Your email address

Then add your files, individually is better so you can be sure you have added them all, then press “transfer”

We transfer will then email you a pin via your mail address to ensure you are not a robot, follow the on screen instructions to complete the sending process.

That’s it!
